JUNIOR LEADERS CLUB

Club Purpose-

The purpose of the Junior Leadership Club is for middle school students to commit to developing strong moral character by putting others first through community service. Our goal is to get young teens out of their comfort zones and build leadership skills through YMCA core values.

Our Mission-

Our mission is to provide a hands-on learning experience for teens focusing on leadership, team building, group work, community awareness and community service. The students are from all parts of the community, making a unique and diverse group of promising young leaders. The Junior Leaders Club program will train teens in aspects of physical education and service learning to better serve their community as they encourage each other to make a positive impact for present and future generations.

What we do-

- * Volunteerism and service learning
- * Field Trips
- * Group Outings & Special Events
- * Local mission trips
- * Club meetings with group discussion, games & activities
