## **TODAY'S YOUTH TOMORROW'S LEADERS**

### **SENIOR LEADERS CLUB**

#### **Club Purpose-**

Through community service, social events, fundraising, and value training, teens learn how to become positive role models and how to truly be an asset to our community. Senior Leaders Club provides the opportunities to receive leadership training that enhance social and emotional growth while teaching the importance of social responsibility and service to others.

#### **Our Mission-**

Our mission is to give teens the opportunity to become active leaders in our communities, schools and other surroundings. To become better students and role models for the youth. Encouraging leaders to attend a week at Blue Ridge Leaders School in the summer. BRLS is a service learning school that teaches teens how to become better service leaders through workshops, classes and clinics.
