General Waiver and Consent

I know that engaging in physical exercise is a potentially hazardous activity. I assume all such risks being known and appreciated by me. Having read this waiver and knowing these facts and in consideration of your accepting my application for program participation, I hereby certify that I am medically able to participate in activities which shall be selected by me. I assume the sole responsibility for my medical condition at all times. I, for myself and anyone entitled to act on my behalf, waive and release the Ed Isakson/Alpharetta Family YMCA, sponsors, their representatives and successors, from all claims and liabilities of any kind arising from and out of my activities at or sponsored by the YMCA. I understand that photographs are periodically taken of the facility and those involved in activities, and that any likeness of me and/or family members may be used in public relations materials unless I request otherwise in writing to the Executive director. Furthermore, by signing below, I certify knowledge that absences from programs will not be made up unless said absence is due to the closing of the area in question.
