CLASS DESCRIPTIONS

BEGINNER'S STEP

This class introduces you to the basic steps and choreography used in Step classes. Perfect for the beginner.

BODY SCULPT

Classic workout that tones and strengthens the entire body. Various types of equipment may be used to target all major muscle groups. For all fitness levels.

LOW-IMPACT AEROBICS

A variable-intensity cardio workout choreographed to music. Class emphasizes low-impact moves. Benefits include overall cardiovascular conditioning. Upper body conditioning and abdominal work follow the cardio portion of the class. Perfect for all levels.

MAT PILATES

A system of stretching and strengthening exercises that will help improve posture, strength, flexibility and body awareness. The ultimate spirit, mind, and body workout incorporating isometric exercises with flexibility and mat work. Bring a mat if you have one.

STEP

A cardiovascular workout consisting of choreographed combinations on and around the classic step platform.

STEP N SCULPT

This combo class integrates step with strength training. A great workout with fun music and energetic choreography.

STRETCH FOR LIFE

A stretching class combining muscular flexibility and joint mobility to increase the body's ease of movement and sense of wellness. Perfect for all fitness levels.

YOGA

Increase flexibility and strength. Focuses on posture and the development of balance and alignment. Complete with restorative postures for relaxation and meditation to integrate the experience and enhance well-being. Perfect for all levels. Bring a mat if you have one.

YOGA STRETCH

A gentle stretching class combining Yoga movements to increase muscular flexibility and joint mobility for ease of movement and sense of wellness. Perfect for all fitness levels.

ZUMBA

It's the rage! A fusion of Merengue, Salsa, Funk and fun. High energy, easy choreography, an all-around hip-shakin' workout!
