

## Meet Delon

**"This summer I was a Leader-in-Training (LIT) at YMCA Camp High Harbour. It was fun, challenging and great to give back to camp. I wouldn't get to do the camp activities, like learning how to use a bow and arrow or rafting down the Ocoee River, anyplace else.**

**I had to develop a good work ethic to be a successful LIT. It also taught me about leadership. The skills I learned are helping me to become a better person.**

**Lake Burton is so peaceful and calming. Camp is my home away from home. The experience at Camp High Harbour is life changing. The campers and counselors see with their hearts, not with their eyes, and I love camp for that."**

# Make an Impact

Because of the collective influence and impact of your hard work, donations and support in 2008, more than 350 campers were positively impacted through generous Partner With Youth annual campaign contributions totaling \$189,000.

Here are some of the results of your generous Partner With Youth contributions:

- ★ Children learned new skills in an outdoor environment;
- ★ The campers' daily activities reinforced the character values of caring, honesty, respect, and responsibility and focused on the mission of developing spirit, mind, and body in all;
- ★ Young people challenged themselves and increased their self-confidence through adventure-based specialty programs;
- ★ Teens who served as Leaders-in-Training to become future counselors received hands-on leadership experience and learned the importance of serving others.

YMCA Camp High Harbour gets results with quality programming, professional staff members, specialty programs, and general camp activities. The YMCA is committed to providing financial assistance to those who cannot afford the full price of summer resident camp. We always run out of money before we run out of people who need help.

Our 2009 Partner With Youth annual campaign goal of \$185,000 will be successful if you get involved and give back.

### Thank you for your generous support.
