

YMCA HOLIDAY GIVING TREE FOR KIDS

A network of care teams assisting families in Forsyth County with gifts of joy for children during the holiday season.

Holiday Giving Tree for Kids is organized thru the YMCA but made possible by a network of local businesses, corporations, churches and civic groups throughout Forsyth County. Volunteers are employees, patrons and community servants sharing their time, talent and treasures to support the less fortunate in their community and express their care and concern for those surviving crisis or hardship.

Care team volunteers strive to provide relief to struggling families with youth by providing clothing, toys, school supplies and gifts of joy during the holiday season.

We bring hope and encouragement to children and families who, most of all, need to believe in a community that cares!
