Specifics

Mini-Kickers is a parent-involved program. Sessions will consist of fun, interactive clinic based drills and games designed to develop and enhance basic fundamental skills.

We ask for at least one parent "coach" volunteer per group/team to help lead the way through each session. Don't forget we need one "team coordinator" per team to help with t-shirt distribution and snack schedules.

Weather Hotline 678) 341-6264

Please call the Weather Hotline if you have any concerns about regarding conditions prior to the scheduled session.
