

FREQUENTLY ASKED QUESTIONS

What is the Partner with Youth Campaign?

The Partner with Youth is an annual giving campaign which raises funds to provide scholarships for families and children of all ages who otherwise could not afford to participate in YMCA programs and services. Through Partner With Youth, we help to overcome those financial barriers and make the YMCA accessible and open to the entire community.

What percentage of my money is used for scholarships?

100% of your donations stay at your Ed Isakson/Alpharetta Family YMCA to serve the North Fulton communities.

What are some of the community outreach programs at our YMCA?

Community development and outreach efforts include after school child care, adaptive sports (Mustangs), teen leadership development programs, learn-to-swim, and more. The Partner With Youth annual campaign raises money to provide financial assistance so everyone has an opportunity to enjoy YMCA programs and services.

Is my donation tax deductible?

The YMCA is a charitable, nonprofit organization providing services throughout the community. Your financial contribution, which is tax deductible to the fullest extent of the law, allows us to continue providing these needed services to families and children throughout the North Fulton area.

Can I designate a gift to a specific program?

Of course! Your philanthropic goals are important to us. Just let us know which program is nearest and dearest to your heart and we'll make sure your contribution is allocated accordingly.

I pay my YMCA membership dues, why should I donate to the YMCA?

The YMCA is more than a gym, it is a place where members of the community get connected. We provide financial assistance to those who cannot afford the full price of Y programs. The money for scholarships does not come from membership dues. In 2004 the the Ed Isakson Alpharetta Family YMCA provided financial assistance for more than 1,838 children, families, and adults, enabling them to benefit from Y programs like adapted aquatics and sports, after school child care, camp, facility memberships youth sports, and teen development. As a member of our YMCA we hope you feel strongly enough about your YMCA's mission of helping others in need in our community. We invite you to make a contribution that helps people in our community experience the YMCA.
