Joining Fee

The YMCA believes that members are co-owners of the organization. As co-owners each member is asked to pay a one-time joining fee as a mission investment fee. These dollars are primarily used for non-expansion capital improvements like new equipment, building repairs, and preventive maintenance.

A.W.A.Y. Program

Don't leave home without your YMCA membership card. The AWAY logo on the back is accepted at 95% of the YMCAs across the country. Simply present your card at participating YMCAs for access to their facilities. Some YMCAs may charge a nominal fee. An AWAY directory is available on the web at ymca.net.

Financial Assistance

The Metro Atlanta YMCA actively seeks to identify and involve those in need. Our sliding fee scale can be explained to you by a member services representative.

Program Membership

Belonging is a philosophy at the heart of the YMCA. You can also choose to belong as an annual program member. This is different from a facility membership.

Program memberships are:

- annual and renewable one year from date of purchase
- applied to the joining fee if you upgrade to facility membership
- the best choice for those who plan seasonal and specialty involvement like after-school, youth sports, and/or day camp
- \$25 for individuals plus the cost of the program
- \$35 for families plus the cost of the program
- accepted for registration at any branch of the Metro Atlanta association
