

YMCA DAILY DAY CAMP

YMCA of Metro Atlanta // Summer 2020

**BUILDING CONFIDENCE
IN KIDS** **ONE DAY AT A TIME**

Dear Parent/Guardian,

Y Camp offers a safe, fun environment for your child to explore, learn and grow over the summer months. The spread of COVID-19 has affected every aspect of our lives, and we look forward to adding some adventure into your child's summer!

As always, the safety of our campers, staff and community is our highest priority. Health and safety protocols have been restructured to adhere to the [32-point plan](#) for the operation of summer camps provided in the Governor's Executive Order (summer camp guidelines begin on page 23 of the executive order). This means we have made adjustments that will affect all of our camp offerings.

Adjustments for Summer 2020:

- Enhanced drop-off procedures including in-car temperature and wellness checks for all campers on arrival
- Temperature checks and face mask requirements for all staff
- Social distancing for all campers and staff to remain 6-ft apart at all times
- Reduction in capacity numbers for all camps to allow for social distancing
- Maintaining a reduced ratio of nine campers per staff counselor at all times
- Elimination of specialty/sports camps
- Reduction or elimination of materials and supplies that would normally be shared by campers
- Increased cleaning protocols, including cleaning of areas or materials between use by each group of campers

2020 DAILY DAY CAMP OFFERINGS

NEW – DAILY REGISTRATION

Because we want to accommodate as many families as possible, camp registration for 2020 will be on a per-day basis, rather than a weekly registration. You will now have the opportunity to register your child for a full week of camp OR just Monday, Wednesday and Friday, or even just one day each week if you choose.

Full-Day Traditional Camps for Ages 5-13

Offered Monday - Friday, 9:00 am – 4:00 pm

Pre Camp: 7:00-9:00 am & Post Camp: 4:00-6:30 pm

For 2020, day camps will be operated with our traditional day camp model. In our traditional camps, we use challenging and fun activities that feature weekly themes, promote personal growth and encourage campers to have fun with their friends – while observing social distancing guidelines. Our qualified, trained counselors will lead activities that will help build your camper's self-confidence, develop their social skills, teach them teamwork, deepen their respect for others and build lasting friendships.

Traditional camp includes age-appropriate activities including arts & crafts, group games, outdoor exploration, indoor learning experiences and much more. Based on each camp location, additional activities may include archery, canoe rides and more.

Please be aware that swimming will not be included as a day camp activity at this time due to social distancing.

REGISTRATION INFO

How to Register: All Daily Day Camp registration for 2020 should be done online at spiritonline.ymcaatlanta.org. In-person registration is not available at this time. You may also contact our Member Assistance Center at memberassist@ymcaatlanta.org or 404-267-5353.

Daily Registration for 2020: Because we want to accommodate as many families as possible, camp registration this year will be on a per-day basis, rather than a weekly registration. You will now have the opportunity to register your child for a full week of camp OR just the days you need... even if it's just one day each week.

YMCA Membership: Camp prices listed online are for YMCA Facility Members (MEM) and Program Members (PRO). Facility Members enjoy reduced rates as a benefit of membership. For those who wish to participate in Y programs without use of the facility, an annual family program membership is required before registration in the program of choice. Facility memberships must remain current throughout the summer to qualify for MEM rates.

Learn more about the value of Y membership or become a member today by visiting ymcaatlanta.org/membership.

Parent Handbook: A detailed parent handbook will be provided to registered camp families a minimum of one-week prior to the start of camp and will include information regarding health and safety protocols, pick-up & drop-off procedures and other details specific to your camp location.

REGISTRATION INFO

Payment Methods: A **non-refundable deposit** is required for each day of camp. Cancellations must be made two weeks in advance of camp date to receive a credit of the balance of payment. When registering for any of our daily day camp programs, you may choose from the following payment options.

Pay in Full – If you are registering for a camp date starting in less than two weeks, full payment is due when you register.

Auto Draft – Your credit card will be charged on the payment due date which is on the Monday two weeks before the camp date. Select this option at time of registration if you only want to pay the minimum deposit. You can update auto-draft info as needed.

IF YOU HAVE A CREDIT ON YOUR ACCOUNT YOU WOULD LIKE TO APPLY TOWARD YOUR PAYMENT:

- Within our online registration system, you will still be required to pay the daily deposit and then set up a future auto draft payment in order to pull from your account credit for the reminder due.
- As long as there is available credit left on your account, the payment system will apply that account credit first before charging your credit/debit card for the future auto draft payments.
- If there is account credit to cover all of the auto draft payment(s), your credit/debit card will not be charged at all.
- If there is not enough account credit on file, the payment system will apply the credit first and then charge the remaining balance to your credit/debit card on file.

If you have questions regarding online registration, payment or applying your account credit toward camp payment, please contact our Member Assistance Center: 404-267-5353 or memberassist@ymcaatlanta.org.
