Sponsorship Opportunities Available

In 2019, together with our partners, members, staff and volunteers, the Y's annual Days of Service event made a huge impact in our community, gathering more than 2,000 volunteers to complete 28 service projects across metro Atlanta.

In 2020, community support is needed now more than ever.

This year, we aim to make a collective impact towards hunger relief, a rapidly growing need across our communities.

OUR GOALS:

- 5,000 grocery packs for neighbors in need
- 2,000 pounds of food donated to hunger relief partners
- \$100,000 in donations to support this vital work

YOU CAN HELP!

With the health and safety of our volunteers and partners in mind, we have redesigned Days of Service, and we invite YOU to join us as we pack and distribute food to those in need.

The Y has activated our staff and relationships from our 30+ membership facilities, camps, and early learning centers to ensure our relief efforts reach those in need across the greater metro area. Through outreach to corporate partners and the community, Days of Service will raise funds to support hunger relief efforts now and in the future.

You can also be a part of the Y's Days of Service by donating non-perishable food to serve those in need. Food can be dropped off at any YMCA location between August 24 and September 11 and will be donated to YMCA partner organizations working to alleviate hunger in our communities.

HERE FOR ATLANTA. HERE FOR GOOD.
