YMCA Membership: Camp prices are listed for YMCA Facility Members (MEM) and Program Members (PRO). Facility Members enjoy reduced rates as a benefit of membership. For those who wish to participate in Y programs without use of the facility, a YEARLY family program membership fee of $40 is required before registration in the program of choice. Become a facility member today and save up to $450 per child on camp for the entire summer. Learn more about the value of Y membership or stop by the branch for a tour of the facility. Facility memberships must remain current throughout the summer to qualify for MEM rates.

Payment Methods: A weekly, non-refundable $35 deposit is required for all camps. When registering for summer camp, choose from these options...

Pay in Full – When registering for camp, you may choose to pay the full amount at the time of registration. Anyone registering for camp less than 3 weeks from its starting date is required to pay the full amount then.

Auto Draft – This is not an option for any camps starting less than 3 weeks from the registration day. For camps starting more than 3 weeks from the registration date, you may choose to make payments via an auto-draft system.

Changes/Cancellations: All changes or cancellations MUST be submitted in writing to RachelS@ymcaatlanta.org. Cancellations must be made 3 weeks in advance of camp start date to receive a full refund of the balance of payment. Cancellations made under the 3 weeks will not qualify for a full refund. Changes made less than 3 weeks prior to camp start will be required to pay the additional difference between the registration price and the late registration price.
Financial Assistance: We believe every child and family should have the opportunity to participate in any Y program. Those not able to pay the full fee may be awarded partial financial assistance based on their ability to pay and the Y’s ability to fund the subsidy. Since demand is great, applications are first come, first serve. Pick up an application for camp financial assistance at the Front Desk. If you would like to donate to help send a child to camp, visit our giving page.

Camper Needs: Before camp, all campers must provide the following items:
1) Medical waiver
