Kids & Families

AFTERSCHOOL

The Wade Walker Park Family YMCA After School Enrichment Program is designed to provide quality child care for all students to develop intellectually, socially, emotionally, and physically in a safe environment. We do this by providing positive interactions and exciting theme-based activities that help build strong values, enhance education, improve academic performance, and promote a healthy lifestyle. Family and community involvement is strongly encouraged to support our program goals.

The program takes place at the Wade Walker Y facility and begins upon dismissal from school and runs until 6:30 pm on days DeKalb County Schools are in session.

Skill Development: Skill development will utilize technology, daily reading time and scheduled review sessions to support the students as they increase their skill level in reading and math. The YMCA uses the KidzLit & KidzMath programs to accomplish these goals.

Conflict Resolution: This activity creates a concept of taking responsibility for your actions and learning how to deal with hardships and disputes with others.

Creative Arts: This activity introduces the students to different aspects of the arts such as music, poetry, dance, writing, painting, live performances, and plays.

Character Development: This activity works to build each child's self esteem and confidence. Each child receives reassurance regarding their own capabilities and is encouraged to set high achievement goals.

Recreational: Students will participate in organized outdoor and indoor game activities that will address fitness while having fun.

Nutrition: Students will receive nutritional snacks and dinner daily.

Registration: Our fee for service programs are offered on a sliding fee scale based on household income...

Income

\$0 - \$20,000

\$20,001 - \$25,000

\$25,001 - \$35,000

\$35,001 or more

Proof of household income must be provided to receive discounted rates. Acceptable forms of income verification are (2) concurrent pay stubs and your most recent tax return.

Scholarships are available on a first come, first served basis and based on need. They will be awarded until available funds have been expended.

The full weekly fee is assessed if a child is in attendance for 3 or more days that week. One half of the weekly fee is assessed if the child is in attendance for 1-2 days. This option can only be used twice during the school year. You must provide advance notice if your child will be absent from the program for a week or more so that slots can be made available.

If an outside agency assumes responsibility for payment of program fees, the standard rate at the time will apply. The parent or guardian will be responsible for any amount the outside agency does not pay.
