**Important FAQs regarding the Member Referral Campaign.
Please read in entirety.**

What is the Member Referral Campaign?

The Y is an organization dedicated to strengthening the communities in which it serves. As part of our focus on youth development, healthy living and social responsibility, we are launching the Member Referral Campaign. During this campaign we are calling on our existing members to help us strengthen and help our community become healthier by inviting their friends and family to join the Y. When a member helps us to create a healthier community by referring a member, both the member and the friends and family they bring to the Y will receive up to a 20% reduction off the standard rate of membership.

Can I refer more than one friend or family member?

Yes. There is no limit on the number of friends or family members you can refer to the Y.

How long is this reduced rate valid?

The reduced rate received from participating in the Member Referral campaign is good for as long as both parties remain members. Should one of you cancel your membership, the remaining member has thirty (30) days to refer another friend or family member to join. If the remaining member does not refer another friend or family member to join (and the referred person join) within 30 days, the reduced membership rate will return to the standard rate for the specified membership type.

Will the Member Referral rate ever increase?

Yes. Future rate increases will be applied to the Member Referral rate.

Does my friend or family member have to join the same Y?

No. A friend or family member can join any one of our 17 Metro Atlanta YMCAs.

Who is eligible to participate in this campaign?

Adult, Young Adult, Two Adult, Family, Teen, Senior Adult and Senior Family continuous pay facility memberships are eligible to participate in the campaign.

Can a member leave during the campaign and come back as another member's friend during the campaign?

Yes, under certain conditions. Should you have to cancel your membership during the 6 months the campaign is running and you receive an invitation from an existing member to return, you are eligible to re-join at the member referral rate 90+ days after your termination date.

I referred my friend and my friend joined. When do they receive their reduced rate?

The Member Referral rate will go into effect when the referred membership is purchased. The Member Referral rate for your membership will be reflected in the billing cycle following the join date of the friend or family you refer to join the Y.

I am currently receiving financial assistance. Can I refer a friend for this program?

Yes. We encourage all of our members to take this opportunity and help us to make our community a healthier place to live. Should your friend or family member decide to join they will receive the Member Referral membership rate for the membership category they select. Your membership will remain at your standard financial assistance rate or be reduced to the Member Referral rate for your current membership type, whichever is less. As always, if finances are a barrier, anyone can apply for financial assistance for membership.

Before the campaign began, I referred multiple families to join the Y. Can I receive a rate reduction based on their memberships?

No. The Member Referral rate reduction is only available to current members referring new members.

How soon after a member sets-up their household on-line can they come in to the branch to join?

Immediately!
